Established in 1984, **Treasury Management Association of Canada - Toronto (TMAC-Toronto)** provides a forum for the exchange of information for a variety of participants in the field of treasury management. TMAC-Toronto accommodates a wide range of treasury professionals including representatives from mid-market and large corporations, crown corporations, banks, investment dealers, finance and trust companies, software vendors, management consultants and government organizations.

Why TMAC? We hold 7 networking/education sessions in the following months: September, October, November, January, February, April and May. We strive to ensure our guest speakers are topical and add value to the education of our membership. **All sessions are FREE to all TMAC members.** If you are unable to attend, please feel free to send an associate in your place, another benefit to TMAC membership. Most of these sessions are **allocated CTP credits by AFP.** The 2nd Monday in June is reserved for our annual FATCAT Golf Tournament, a wonderful opportunity to network with industry professionals. TMAC also offers a job posting service on our website, as a member your organization can post a position for a fee of \$150 + HST.

AFP has offered TMAC- Toronto CTP credits for our educational events. For those holding their AFP, CTP certification, this is a highly valued way to obtain the credits required towards CTP recertification.
